Dear Ms. Spidel:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule C supporting Line 10 of your report discloses the receipt of \$3,000 in apparent loans from "Progressive Vote AKA Progressive Democrats of America." Please be advised that 2 U.S.C. §441b prohibits the receipt of contributions from corporations unless made from a separate segregated fund established by the corporation. Please clarify the nature of this transaction or amend your reports to clarify the name and mailing address of the loan source/lending institution. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
